- **My teacher Mani Malhotra,Mr Ken Khan,My family,and etc.**

About Me..

- Student's Photograph Krithik

- Student's Introduction
- Hello, My name is krithik.My hobbies are cooking,coding and many more.One thing I love to to is coding.

About My Internship with Clevered..

- Any photographs from sessions etc.

- Your internship experience with Clevered…My internship with clever was GREAT we created app where you have to speak and beat obstacles.

- Badges Earned

About App..

- App's Main Menu
- You have to say jump to jump and say left or right to move.

- App's Introduction
- My apps introduction is a super mario game where you have to *speak to make the character move.*
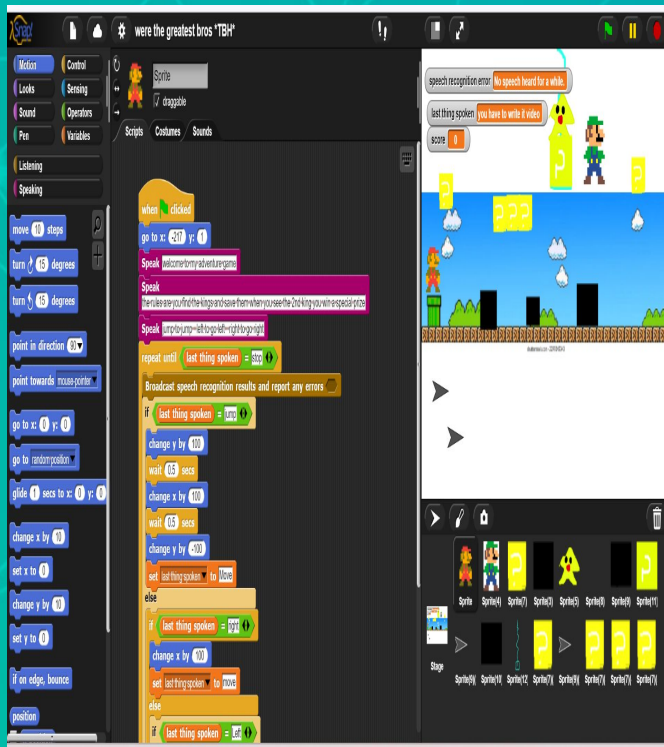

How do I use the app:We have to use the app by speaking to beat the game like there are _obstacles_ so we have to doge them and beat the game

Option Name
(This will be repeated for each option of the App)

- **Screenshot/ Pic of each option/screen of the App**

- **Steps to use the same**

- **Any special considerations/ dependencies/risks while using the option:It was glitching all the time and speech recognition kept on telling *speech heard for a while* so that's all the problems I had**

Contact Person

- **Please reach out to student name at student's email address for any questions/ concerns/ suggestions on the App**
